

Roll-a-Santa

To see who goes first, each player rolls the dice once. The player with the highest number starts the game. Follow the directions next to each number on how many of each items you need to collect. Every time you collect a Santa part, you get a free roll to try for another part. If you roll a number for a part your Santa doesn't need, it's the next player's turn.

	<p>Collect one LARGE pom for Santa's hat.</p>
	<p>A roll of 2 gets you a set of eyes.</p>
	<p>Each time you roll a 3, collect 3 craft sticks until you have a total of 9.</p>
	<p>Each time you roll a 4, collect 4 white poms until you have a total of 12.</p>
	<p>Collect one Santa hat.</p>
	<p>Roll again!</p>

The first person to complete their Santa face wins! Your Santa must be assembled and have: 9 craft sticks, 12 small white poms, 1 Santa hat, 1 large pom, and 1 set of eyes.
